ABOUT BLUE RIDGE, GEORGIA'S COOLEST MOUNTAIN TOWN.

GEORGIA'S

*Blue
Ridge*

800-899-MTNS (6867) • BlueRidgeMountains.com

Selected as one of the South's Best Mountain Towns by Southern Living magazine.

1 GET AWAY COMPLETELY

If you live anywhere in the Southeast, you're within driving distance of Blue Ridge, Georgia's coolest mountain town — only 90 miles north of Atlanta via I-575, but a million miles away from it all. With 106,000 acres of Chattahoochee National Forest, 300 miles of hiking trails and 100 miles of trout streams, Blue Ridge is the perfect place to get away completely. Rent a luxury mountain cabin and wake up to cool, quiet mornings on the porch with a cup of coffee. After a day of fun and adventure, finish the day in the same place you started, enjoying a glorious mountain sunset. You may never want to leave the cabin, but don't miss out on the fun of exploring the North Georgia mountains.

2 BEAUTIFUL MOUNTAIN SCENERY

Georgia's Blue Ridge is simply beautiful. To the south is the Aska Adventure Area, Springer Mountain, Amicalola Falls and the head of the Appalachian Trail. To the east is the Blairsville/Hiawassee area with Vogel State Park and Brasstown Bald. To the west is the 40,000-acre Cohutta Wilderness, and to the north is the Copper Basin of Tennessee, the Ocoee Scenic Byway and Ocoee River whitewater. The Blue Ridge area has more luxury mountain vacation rentals than anywhere in the Georgia mountains, including cabins with spectacular mountain views, on rushing creeks, the Toccoa River and Lake Blue Ridge. If you prefer a location closer to town, there are also hotels, bed & breakfast inns and intown Blue Ridge lofts.

THE TOWN OF BLUE RIDGE

Blue Ridge was once considered an elite health resort because of its pure mineral waters. It was established as a railroad town, with the depot at its heart. Visitors would ride the train to town, eat dinner and take a leisurely walk to the mineral springs after dinner. Today, visitors still ride the train and take a walk along Main Street, enjoying the antique and specialty shops, galleries, restaurants, small-town atmosphere and friendly people. First-time visitors are amazed at the number and quality of shops and restaurants in downtown Blue Ridge.

MCCAYSVILLE & THE COPPER BASIN

A river runs through the quaint town of McCaysville, Georgia, twin city with Copperhill, Tennessee. Stand in both states at one time at the Blue Line, which marks the spot where Georgia ends and Tennessee begins. Here the quiet Toccoa

River becomes the raging Ocoee River, flowing northward into Tennessee for whitewater rafting fun.

Dine at casual upscale restaurants like The Black Sheep or Cucina Rustica, or at fun eateries like Chester Brunnenmeyer's or the Boat Dock Bar & Grill on Lake Blue Ridge.

7 BLUE RIDGE SCENIC RAILWAY

Don't miss the train! Take a ride on the **Blue Ridge Scenic Railway**, which runs along the Toccoa River from Blue Ridge to McCaysville. Board the train at the historic depot in Blue Ridge and ride in beautifully restored train cars. The view changes with the seasons — wildflowers and mountain laurel in the spring, rhododendron in the summer and gorgeous foliage in the fall. Open March through December. Call 1-800-934-1898 or visit brscenic.com.

Two of the greatest outdoor adventures in the world begin in Fannin County. Both the Appalachian and Benton MacKaye Trails start at the top of Springer Mountain. There are over 300 miles of hiking trails in the area, including short trails suitable for beginning hikers and families. Nearby, visit Georgia's highest elevation at Brasstown Bald and explore trails and waterfalls throughout the mountains.

- » **Aska Trails:** 17-mile hiking and biking trail system ranging from 1 to 5.5 miles open all year. Suitable for all levels of hikers; challenging for mountain bikers.
- » **Appalachian Trail (AT):** Begins in Fannin County at the top of Springer Mountain off FS 42. Favorite hikes include the trail to the terminus on Springer Mountain, Three Forks and Long Creek Falls.
- » **Benton MacKaye Trail (BMT):** Footpath of nearly 400 miles through the Appalachian mountains of the southeastern U.S. Favorite hikes in Fannin County are the hike to the Swinging Bridge on the Toccoa River and Falls Branch Falls.
- » **Ocoee Whitewater Center Trails:** 30 miles of trails for hiking and mountain biking at the Whitewater Center, located on Hwy. 64 in Tennessee.

- » **Long Creek Falls** — A favorite waterfall hike on the Appalachian Trail is from Three Forks to Long Creek Falls. Located off FS 58 in the Noontootla Creek area.
- » **Falls Branch Falls** — The closest waterfall to Blue Ridge is a double waterfall about 10 miles from town at the edge of the Rich Mountain WPA.
- » **Helton Creek Falls** — There are two falls on Helton Creek, which is off US 19/129 about 11 miles south of Blairsville.
- » **Benton Falls** — Located on the Benton Falls Trail in the Overhill country of southeastern Tennessee on the Ocoee Scenic Byway at Chilhowee Recreation Area.

The best waterparks are those created by nature, and there are plenty of options in the Blue Ridge Area:

- » **Toccoa River:** Tube, kayak or raft the river either above or below the Lake Blue Ridge dam.
- » **Morganton Point:** Chattahoochee National Forest recreation area on Lake Blue Ridge with camping, fishing, swimming beach and picnic areas, kayak and paddleboard rentals.
